### The Servant Queen - and the King she serves

This is a book produced by LICC, HOPE and the Bible Society as a tribute for the Queen's 90<sup>th</sup> Birthday.

It is beautifully illustrated and uses the Queen's own words to draw out the central role of her trust in Jesus Christ, offering an inspiring, multi-faceted insight into a life well-lived for others.

The book is designed to be a conversation-starter to give as a gift to friends, colleagues, or family. As the celebrations unfold throughout 2016, chatting about the Queen may be one of the easiest and most natural faith-sharing opportunities that Christians have and this book could become a catalyst for conversation.

Copies can be ordered through SKCC @ £1 each (if an order of over 10 copies is placed). If you would like to order a copy please let Joyce know by 17<sup>th</sup> April with your payment.
