GIVING ENJOYING IMPACTING CULTIVATING INSPIRING

For SKCC Hythe area, this is the beginning of a temporary return to something like the former pattern of Connect groups. However, there have been some leadership changes and a Hythe daytime group has been added.

At James & Phil's request, Vincent has produced this temporary format. If anyone is in any doubt at all, please contact him or the church office (01303 251155). The aim is to make sure everyone has a point of connection, even where it's not easy to make actual group meetings.

The new leadership team is currently in a process of consultation regarding further changes across the whole church, probably beginning in April. More detail will be given when potential leaders, etc. have been consulted. It should be added that a daytime Connect provision for the whole church is under active consideration.
