News from Heather in Mozambique

Perhaps not everyone is aware that SKCC financially supports Heather and, at the beginning of this year her support was raised from £150 pcm to £200 pcm. Although informed at the time she has only just become aware of this and has written the following:

"I wanted to say thank you for raising my monthly support this year. I had just noticed it this morning so wanted to thank you all and let you know that this really is an answer to prayer as almost at the exact time two friends dropped out from financially supporting me. The amount that SKCC raised my support by is a little over what I lost so really feels like a example of God's answer to prayer!"

More rain this week! Enjoying every minute of it!

Blessings to you all Heather"

Heather will be back on a home visit at the end of May and we look forward to hearing more about her work with the boys at Kedesh then.
