UPDATE: As most of us know, since last autumn SKCC volunteers have been going to Millfield on a Thursday afternoon to offer young refugees help with learning the English language and culture. The teaching group was for those who had already mastered the basics of English and were 'moving on' to the next stage - hence the name 'Moving on Group'. As not all the refugees attend the teaching group it was felt that a more encompassing name was needed and, as one of the main purposes of the group is to help the refugees fit into the UK way of life, it has been decided to change the name to **'Integrate'**.

Integrate continues to grow with the teaching class seeing numbers of up to 20 in recent weeks. Please continue to pray for all those who come to Integrate and all who serve each week in a variety of capacities.

If you would like someone to pray with you, please speak to today's host or one of the leadership team.
