

## THE CORNERSTONE CENTRE

The buildings sub-committee met on Thursday evening and discussed options for **heating** (in particular for the community hall and office area). In the immediate future, electric radiators from another part of the building will be transferred to the office area to enable the office team to relocate from Church House. This allows the committee to continue their research into the pros and cons of either an infra red or gas system, rather than make a hasty decision. Meantime, an application will be made to the council regarding the potential installation of a gas central heating system (The Cornerstone Centre is a listed building so any work affecting the fabric of the building requires consent).

The committee are also investigating installation of a **bike rack** (this too will require planning permission and included with the application above).

### CAN YOU HELP??

The committee have identified the following areas (in the first instance) which need volunteers...

**Portable Appliance Testing** - providing administrative support during the testing process.

**Painting/removing carpet tiles** - taking up the old carpet tiles and freshening up the walls with a coat of paint.

**Clearance** - there are several areas of The Cornerstone Centre that need to be cleared/sorted and subsequently items removed from the building and taken to the recycling centre/other.

Please speak to Phil or Joyce or contact the church office 01303 251155 // [skcc@btconnect.com](mailto:skcc@btconnect.com) if you can help so that works can be diarised.

Thank You

Don't forget if you want to bless individuals in need by giving to the SKCC Help Fund, you can do so by putting your gift in an envelope marked 'Help Fund' and placing it in the offering bag or hand it in at the church office.

Items for the next news-sheet need to be passed to the church office by 6 p.m. on Wednesday 13th June.

### Hythe Community Sponsorship – Resettling a Syrian Family

Hythe is preparing to welcome a refugee family under the UK  
Government's sponsorship scheme.

A steering committee to manage the initiative is already in place,  
chaired by Sgt Callum McKenna of Hythe Salvation Army. As the  
sponsoring organisation needs to be a registered charity the Salvation Army  
will take on this role.

Kent County Council has given its support and a suitable property has been  
identified with the aim of welcoming the family in the first half of 2019.  
Before then a lot of different working groups need to be set up from  
fundraisers to flat-pack furniture experts, DIY enthusiasts to electricians and  
plumbers and then when the family arrives; teachers, talkers and just generally  
nice people... all are needed and more!

If you would like to find out more, a public meeting is taking place at 7.30 p.m.  
on 4th July at Hythe United Reformed Church. Alternatively you can contact

Callum on 01303 268972 callum.mckenna@salvationarmy.org.uk
