

Contact Book 2018 and Data Protection

As you know the Contact Book for 2018 is in the process of production. However, there are new rules regarding general data protection regulation (GDPR) in the UK which will take effect from May of this year (replacing existing laws). This will give individuals more rights and protection over how their personal data is used by organisations. In order to comply with the new requirements we will not be able to print the new Contact List until we have written consent from all those who will be included in it. We are in the process of initiating this and further details will be available shortly. Please bear with us while this is outworked. Thank You.

A Prayer for Mothering Sunday

Loving God,
Thank you for mums and children
and for all the joy of family life.
Be with those who are grieving
because they have no mother;
Be close to those who are struggling
because they have no children;
Be near to those who are sad
because they are far apart from those they love.
Let your love be present in every home,
And help your church to have eyes to see
and ears to hear the needs of all who come.
We ask this in the name of Jesus Christ our Lord.
Amen.

What kind of people ought you to be? You ought to live holy and godly lives as you look forward to the day of God and speed its coming.

To all my friends at SKCC, from Jan Halliwell.
"Thank you so much for the wonderful support and love shown to me during the time that Derek has been ill and especially when he sadly passed away.
The Thanksgiving Service was a real blessing; thank you to everyone for all the preparation and to the Connect group for providing the food.

The Burial Service on Monday was attended by approximately 40+ friends and family, where I feel that God was glorified. What wonderful friends you all are." Jan.
