Special prayer request from Heather - Heather and John have had to make the very difficult decision to hand one of the boys over to the social service office in the area where he was born away from Kedesh. Lucas (16/17) had been living at Kedesh for the past 6.5 years and had always been one of their most challenging boys mostly because of stealing. He has been given a lot of chances but recently he committed to two very serious thefts (one from Heather and one from the office).
 Heather is especially concerned because it not unusual for the local population to burn thieves alive if they tire of their continuous stealing.
 Please pray for Lucas and for John and Heather who put so much into him and are very disappointed. Please also pray that God will enable them help to help the other boys to adjust to life without him.
