## Romania

This year will be the **20<sup>th</sup> year** an SKCC team has gone to Romania in the autumn. The date is yet to be fixed but will take place in October/ November.

Please speak to Julie Oliver if you would be interested in going or would like to know more about what it entails.

## What is Baptism?

"I have been crucified with Christ and I no longer live, but Christ lives in me. The life I now live in the body, I live by faith in the Son of God, who loved me and gave himself for me." Galatians 2:20

Please speak to James and Fiona or Phil and Hannah if you would like to be baptised or would like to know more about what is involved.

The older girls' Youth Cell spent some time thinking about how, if we open our eyes, we can see God's love everywhere we go. With that in mind we looked at Psalm 23 and paused to think about how each verse could speak to us and in doing so put the Psalm into our own words...

## Adapted from Psalm 23

Lord, as our Shepherd, You guide and protect us, lead us and care for us, You search us out, gather us together and give us security. You provide for all our needs.

You know the best places for us to be and take us there - places of rest, peace, beauty where we can relax in Your presence and our souls are refreshed. All this You do and it brings honour to Your name.

Through the darkest times, when I'm in the pit of despair and the shadow of death surrounds me - I WILL NOT BE AFRAID! You walk beside me, Your hand on my shoulder, fighting for me, clearing the way - You shield me and comfort me with Your love.

In front of the people who are against me, You shower me with abundant blessing as Your goodness towards me overflows.

Your unfailing, faithful love will always be with me, relentlessly seeking me out. I will live forever in Your presence.

## THE CORNERSTONE CENTRE

Please pray for the Buildings Sub-Committee as they meet this week (Thursday 4<sup>th</sup>) to discuss and prioritise the next course of action for The Cornerstone Centre which will include decisions for a new central heating system.

Watch this space for future developments...
