Back Hall Renovations!

Following a rather drawn out refurbishment the back hall is very close to being ready. So much so that Youth Church will be using it this morning. There are a couple of minor fixes still to take place plus some electrical work/cleaning/sorting in the kitchen and Little Embers room before we can declare the space fully useable again, **BUT** we are getting close and will introduce a staged return of activities over the next few weeks!

You are very welcome to take a look **AFTER** this morning's service but please wait until Youth Church has finished (the kitchen/Little Embers room will not be accessible).

We hope to have a grand opening in due course so we can celebrate the completion of works together.

A big thank you to Tim Bloomfield and Les Smith who have volunteered every Friday carrying out practical tasks across the building and also supporting the renovation work. We really appreciate all you have done.

Romania Love Offering 2019

Irene Mahoney has been in touch to let us know what ACA has done with some of the 2019 Love Offering. As well as being used to replenish their store of food bags, they have also purchased a new water heater so they can have constant hot water for washing dishes in the canteen, fitted a new door and made various repairs in the basement. Irene wants us to know how grateful the workers are. Thank you.
