

DEVOTION THIRTY TWO.

Jesus Is Loving Barabbas – Judah Smith Sermon Jam

SERMON JAMS are brilliant ways to engage in some powerful teachings. They take lengthy sermons and put them into bitesize impacting videos that enable us to grab the central theme to the message, often including beats and stylish graphics. Search **Sermon Jams** on YouTube to find some more truly powerful messages.

This one by Judah Smith has a brilliant Gospel message and has got to be one of my favourite of all time!
