Thank You

On behalf of Megan and myself, Brenda (Caroline's Mum) and Michelle (Caroline's sister), we would like to say a huge thank you to you all for your continued love and support.

We are going through a very tough time that tests and challenges the very core of our beliefs and impacts every detail of our daily lives.

Throughout the process of praying for Caroline over the years we have had the best support and endless encouragement. This did not end as we had to deal with Caroline's sad passing.

We have been encouraged, supported and loved. The guidance we have needed and the love that has held us close have been invaluable.

The funeral and crematorium services were made special because we were surrounded by our beloved family and our extended church family.

When we spoke to our friends and family about the service they were bowled over and speechless over the love they felt. They said that they were welcomed and felt at home in the church and no one we spoke to had ever been to a service like it.

We do not take anything for granted and consider ourselves loved, blessed and surrounded by family.

Thank you

Rob & Megan

SAVE THE DATE!

Churches Together Folkestone are hosting a World Cup football tournament to help raise awareness of the persecuted Church, while bringing churches together in unity, and creating opportunities for prayer and encouragement across Folkestone.

The tournament will be made up of 7-a-side teams. Each church will represent a nation from the World Watch List, and before each match, we'll take time to pray for the countries being represented by the teams playing.

The venue is booked, and we hope to have an ice cream van and a mobile catering vehicle on site for the day, although everyone is encouraged to bring a packed lunch as well.

Even if you're not playing, come along and support this event, for an afternoon of fun, food, fellowship and encouragement together.

If you would be willing to take the lead in putting together a team from SKCC, please let James know.

We'll also be looking for players, so if football is your thing (or you're willing to give it a go!), keep an eye out for more details and sign-up information coming soon.
