Women's Walk – Saturday 21st June

Come and join us for a relaxed afternoon walk.

Meet at: The Cornerstone Centre **Time:** 2.00 p.m.

From The Cornerstone Centre, we'll walk up to the Leas, then then down and along to the Harbour Arm, aiming to arrive around 3.30 p.m. for a drink and time to unwind.

Along the way, there'll be 'pause points' where we regather, take time to appreciate the view, connect, chat or pray, before continuing.

Feel free to walk the whole way, join for part of it, or simply come for a drink at the Harbour Arm.

Open to everyone - why not bring a friend!

To help us plan, please sign up on the sheet on the office door.

Youth Alpha - The final session of Youth Alpha takes place on Wednesday (11th) at Ben & Becc's home from 6.45 - 9 p.m. Please do continue to pray for the youth as the course comes to an end.

To Alan and Lesley Bryan who celebrated this special occasion on 5th June.

Sunday 22nd June - Family Church (for parents with children aged 0 - Year 6) will take place at 11.20 a.m. in the back hall alongside our Sunday gathering.

Following such a fantastic time at Ashburnham last year for our first Forge summer camp, you'll be pleased to know that dates have been secured to gather again next year (28th - 31st August). So save the date and watch this space for more details.

See over for more news...

*If you are new to SKCC and would like to find out more about us and what we do please complete a 'get connected' card from the foyer and pop it in the office post box or contact the church office on **01303 251155** or **hello@skcc.info***
*Further information is also available on the website **www.skcc.info***

To make a 'one-off' gift to SKCC scan the QR code here or use the Payaz machine in the main hall.

This is Francisco, one of the young men who came through [Kedesh Santuario](#) in Mozambique with Heather Pritchard. Francisco is a gifted artist with a deep desire to pursue specialist training to develop his talent further.

Against all odds, he has been accepted into a university in Portugal to study art and refine his gift and talent - a huge opportunity that could change the course of his life. While his first year of tuition and flight are covered, Francisco still needs £650 per month to cover his living expenses during this first crucial year of a four-year degree.

In Mozambique, there is no post-state school grants or funding for higher education, making opportunities like this almost impossible without outside help. We know many of you already give generously, but if you feel moved to support Francisco - either with a one-off donation or through ongoing monthly support (short or long term), please speak to Joyce or Fiona C and they'll let you know how to give. *Note: If, for any reason, the funding target is not reached, then for donations given through an identifiable method, the donor will have the option for funds to be returned or allocated to the work of Kedesh Santuario. For donations given anonymously, these will be directed to the work of Kedesh Santuario.*

"This year, the Rainbow Centre will mark 40 years of supporting the most vulnerable in our community. Thanks to your support, we have been able to reach out and help thousands of individuals and families over the years. We are deeply grateful for your contribution!

Having started with the Family Contact Centre in Mundella School in 1985 and now offering several services—a Foodbank, FoodStop, Food Pantry, Money Advice, Shop, Winter Shelter, and a Homeless Support Service—is truly a remarkable achievement.

However, we cannot celebrate because we know our services are needed more than ever. The work we started forty years ago continues. Therefore, to mark our fortieth year, we want to raise awareness of all the Rainbow Centre does. That is why today I am writing to ask you to join us in raising awareness of our charity and fundraising to continue supporting those in need. **Peter Le Feuvre, Chair of Trustees** "
