A HUGE thank you to those who braved the elements and those who generously supported the BIG Walk team on Saturday 6th June. At the time of writing £681.00 has been raised for Amor Europe and The Dorcas Centre's hungry students.

### Cake Sale!

Between 7th - 28th July, Amor Europe is sending two teams to South Africa. Samantha Coombs will be serving with both teams and is raising funds to build two safe, secure homes for families in need. To help with this, Samantha is holding a cake sale after the service this Sunday. Please consider supporting her by buying and enjoying a sweet treat as she prepares to serve and make a difference in the lives of others.

**SAVE THE DATE!** Churches Together Folkestone are hosting a World Cup football tournament to help raise awareness of the persecuted Church, while bringing churches together in unity, and creating opportunities for prayer and encouragement across Folkestone.

The tournament will be made up of 7-a-side teams. Each church will represent a nation from the World Watch List, and before each match, we'll take time to pray for the countries being represented by the teams playing.

The venue is booked, and we hope to have an ice cream van and a mobile catering vehicle on site for the day, although everyone is encouraged to bring a packed lunch as well.

Even if you're not playing, come along and support this event, for an afternoon of fun, food, fellowship and encouragement together.

**If you would be willing to take the lead in putting together a team from SKCC, please let James know.**

We'll also be looking for players, so if football is your thing (or you're willing to give it a go!), keep an eye out for more details and sign-up information coming soon.
