Sunday Serving Opportunities

We're looking for more people to join our serving teams!

- Tech Team: Help with sound, song projection, and livestream – training will be provided, so no experience needed.
- Refreshments Team: Serve tea, coffee, and a warm welcome after the service.

If you'd like to get involved or find out more, please speak to Joyce or email joyce.rawlings@skcc.info. It's a great way to serve, connect, and be part of a team!

Do you grapple with how to handle the digital world, how can you be a faithful presence within the rise of AI, constant social media distractions and negative effects like digital addiction. You are not alone as we all navigate these choppy waters. This two-evening training is for you, it will inform, challenge and encourage you to be a faithful presence within the digital space.

On Wednesday 19th November, Phil Norris will be speaking about humanity, a Biblical perspective on what it means to be human. Following on from that Mark Wilson-Thomas will speak on digital challenges and culture. On Tuesday 2nd December Mark Wilson-Thomas will carry on with challenges and antidotes in the digital space along with digital addiction.... what now?
