We're excited to begin planning for Winter Shelter 2025/26, working together with the Rainbow Centre and Folkestone Churches. Alison Short has kindly agreed to co-ordinate on behalf of SKCC, and she's now looking to build a team of volunteers to support the project during the 12 coldest weeks of the year (December – February).

There are lots of ways you can get involved – from providing a hot meal or making pudding, to helping serve at the shelter. Keep an eye out for the sign-up sheets which will be available in the next few weeks.

Everyone who volunteers will need to complete an application form, and if you'd like to help serve at the venue, you'll also need to attend training and have a DBS check.

If you are new to SKCC and would like to find out more about us and what we do please complete a 'get connected' card from the foyer and pop it in the office post box or contact the church office on **01303 251155** or hello@skcc.info
Further information is also available on the website www.skcc.info

GIVING to SKCC: if you would like to give, you can do so by scanning the QR code or using the card machine / offering box in the main hall.
