Be a Blessing Sunday – 19th July

As SKCC, we want to demonstrate God's kingdom through simple acts of kindness that show His love to our community.

Be a Blessing Sunday is an opportunity to use the time we would normally spend in the morning service to serve and bless others in practical ways. As we share the love of Jesus, we trust God to open doors for meaningful conversations and opportunities to encourage those around us.

Watch this space for further details...

Some of us will remember Pauline File who attended SKCC until health prevented her. Sadly, Pauline passed away in her care home recently. Details of her funeral are currently not known.
