We are beginning to plan for Winter Shelter 2025/26, working together with the Rainbow Centre and Folkestone Churches. Alison Short has kindly agreed to co-ordinate on behalf of SKCC, and she's now looking to build a team of volunteers to support the project during the 12 coldest weeks of the year (December – February).

There are lots of ways you can get involved – from providing a hot meal or making pudding, to helping serve at the shelter.

SKCC will be overseeing Saturday evenings, if you would like to be involved, please sign up on the notice board. If you have any questions, please speak to Alison or Joyce.

Please note: everyone who volunteers will need to complete an application form, and if you'd like to help serve, you'll also need to attend training and have a DBS check.

We had an amazing time at the Forge summer camp last year, and we're thrilled to share that it's happening again next year! Please save the date and watch out for booking details which will be coming soon.
