SCAN ME

A Rocha tip for July - Taste the
benefits of seasonal and local food.

Plan to incorporate locally grown
produce into your diet and shopping list throughout the
seasons, as it is harvested at its peak ripeness, ensuring
superior flavour compared to imported alternatives that
have travelled thousands of miles. If saying grace before a
meal is a regular practice in your household, this month,
include giving thanks for your local food producers.

Congratulations to
Jess Earl
and
Evan Morgan
