Jubilee & Pentecost Events

SKCC's All-Age Service will be take place on 12th June this month at The Cornerstone Centre at 10.30 a.m. and will have a special focus on thanksgiving as part of the Jubilee Celebrations.

The River, 8th - 11th July – The River is a 4 day retreat centred around Jesus' baptism, exploring the depths of our relationship with Father, Jesus and Holy Spirit.

Day 1: Stepping into God's river (Friday evening)

Day 2: Surrendering our lives to Jesus (Saturday)

Day 3: Hearing the voice of the Father (Sunday)

Day 4: Becoming a landing place for the Holy Spirit (Monday)

Each morning will take you on a journey of going deeper in your relationship with God through a variety of experiences including worship, inspirational talks, small group discussions, opportunities to receive prayer and ministry, and time to just soak in God's presence. Then in the afternoon we will turn the focus outward, exploring practical ways we can give away what we have received to people in the community. Mission is always best when it is the natural overflow of what God has done in us. We can't give to others what we haven't first received ourselves.

Whilst some activities and meetings are being made available to all, those who would like to go deeper in their personal encounter with Father, Jesus and Holy Spirit are encouraged to register for the full four days. For those attending the full four days lunch is provided and refreshments made available throughout each day. To ensure The River is accessible to as many as possible, the cost of attending the full 4 days is free of charge. There will however be an opportunity and encouragement to give to support The River being offered to the next town.

Harbour Church & SKCC are joining together to host this event which will be led by Phil Hulks.

A friendly reminder around avoiding fraud. The following ten golden rules to prevent fraud and beat the scammers was taken from the metropolitan police website...

- 1 Be suspicious of all 'too good to be true' offers and deals. There are no guaranteed get-rich-quick schemes.
- 2 Don't agree to offers or deals immediately. Insist on time to get independent or legal advice before making a decision.
- 3 Don't hand over money or sign anything until you've checked someone's credentials and their company's.
- 4 Never send money to anyone you don't know or trust, whether in the UK or abroad, or use methods of payment you're not comfortable with.
- 5 Never give banking or personal details to anyone you don't know or trust. This information is valuable so make sure you protect it.
- 6 Always log on to a website directly rather than clicking on links in an email.
- 7 Don't just rely on glowing testimonials. Find solid independent evidence of a company's success.
- 8 Always get independent or legal advice if an offer involves money, time or commitment.
- 9 If you spot a scam or have been scammed, report it and get help.
- 10 Don't be embarrassed about reporting a scam. Because the scammers are cunning and clever there's no shame in being deceived. By reporting it, you'll make it more difficult for them to deceive others.

If you think you've uncovered a scam, been targeted by a scam or fallen victim to fraudsters, contact Action Fraud on 0300 1232040 or if you know the suspect or they are still in the area call 101.
