Once again, SKCC will be supporting the Winter Shelter Project, and will oversee provision and serving of meals on a Saturday evening running for 18 Saturdays

Winter Shelter will be using local B&B's to provide overnight shelter and Alison Short, with support from Matthew Sawyer, will be co-ordinating Saturday night food provision/serving at the B&B's on behalf of SKCC.

The office sent out an e-mail in the week listing more in-depth information about the different ways in which help is needed - catering, serving or driving. Do consider how you can help. Alison and Matthew would be pleased to answer any questions you may have. It would also help them plan if you could let them know of your intention to help, especially if you apply directly to the Rainbow Centre rather than via SKCC.

See the link below for the application form (word & pdf format) which need to be completed and returned either to the SKCC office or to the Rainbow Centre by **8th November**. Additionally, anyone involved with service in the B&B will need a DBS check, this will be carried out by the Rainbow Centre. You will also note there is a requirement to attend volunteer training as part of the role, times & dates are listed on the form.
