Sunday morning transport to SKCC for Johnny Dyer - Due the non-availability of wheelchair accessible taxis it is proving increasingly difficult to get Johnny to church. One option is trying to get him into the front seat of an SUV - such as a Nissan Qashqai or similar - where the body is a little higher off the ground and the seats higher than in the average car. If you have such a car and would be willing to consider helping out from time to time, please get in touch with the SKCC office on 01303 251155. At this stage we are just trying to find vehicles that might work for Johnny not expecting those offering to help to take responsibility for getting him in and out of their car. If you think you might be able to help, Tim and Graham would love to hear from you.

Our SKCC Safeguarding Officers are Fiona Coombs and Hannah Haines. If you have queries/concerns of a safeguarding nature relating to children, young people or vulnerable adults, please contact Fiona or Hannah via ChurchSuite or the church office.

If you are new to SKCC and would like to find out more about us and what we do please contact the church office on **01303 251155** or skcc@btconnect.com Further information is also available on the website www.skcc.info
