Easy eco tip for May - Say no to the mower. Mowing your lawn less and letting parts of it grow long saves you time and helps give nature a home. If you want to make an even bigger impact for wildlife and help even more animals, don't mow your lawn or a section of it until August.

For more eco-tips, sign up to A Rocha UK's Wild Christian e-mail at [www.arocha.org.uk/wild-christian](http://www.arocha.org.uk/wild-christian)
