Scripture Union, is passionate about helping churches with their mission to reach and journey with children and young people who are not regularly in church.

They are excited to let us know about a brand new tour taking place this term. 'Mission Possible' is all about helping churches to grow in effective mission to children and young people. We have taken the findings from some research we carried out and have developed an interactive evening that explores 5 principles of effective mission. As well as delving into these principles, you will also go away with lots of practical ideas that you can use in your context.

The evening is aimed at anyone who is involved with youth and children's work,.

To find out more, to book your place and explore the FAQs, visit this page: [Mission Possible Tour | Scripture Union](#)

The event nearest to you is: **Thursday 12th October 7:15pm for a 7:30pm start at The Cornerstone Centre,**

Do get back to me, lisaj@scriptureunion.org.uk with any questions and I look forward to seeing you soon.
