CHURCHES TOGETHER FOLKESTONE (CTF) ANNUAL REVIEW 'looking back, looking forward'

Monday 16th November @ St John's Church, at 7 p.m.

CTF brings churches across Folkestone together to pray, worship and share the good news of Jesus through various events and services.

At this year's annual review, we'll look back at all that's happened over the past year and look ahead to what's planned for 2027. Do be encouraged to come along.

HAMLET HOUSE – A NEW CHAPTER FOR THE RAINBOW CENTRE

The Rainbow Centre is delighted to announce that **Hamlet House**, a new supported living project in Folkestone, will open in early November. Providing accommodation and support for 17 local homeless people, it will replace the Winter Shelter which local churches, including SKCC, have supported since 2009. Residents will be encouraged to shop and cook for themselves as they develop the skills needed for independent living. However, the Rainbow Centre is inviting churches to help provide **a hot meal for residents on alternate Saturday evenings throughout the year**, helping to build a sense of community. There are also opportunities to volunteer through a new **Befriending Scheme**, offering friendship and support to residents.

Could you help? If you would like to find out more about preparing meals or becoming a befriender, please contact Jane.Suckling@rainbow-centre.org.

Please also remember Hamlet House and its residents in your prayers as this exciting new project gets underway.
